Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §§ 1.56, 1.97, AND 1.98

Supplemental to the Information Disclosure Statement submitted February 8, 2001, Applicants wish to place in the record of the above application the results of an International Search Report for a corresponding foreign patent application which were received August 14, 2002. While the information referred to in this Supplemental Information Disclosure Statement may be material pursuant to 37 CFR § 1.56(b), the filing of this Supplemental Information Disclosure Statement is not intended to, pursuant to 37 CFR § 1.97(h), constitute an admission that any patent, publication, or other information referred to is, or is considered to be, material to the patentability of this invention. Further, pursuant to 37 CFR § 1.97(g), the filing of this Statement should not be construed as a statement that a search has been made or that no other material information exists.

Docket No. ALF 005 PA

A listing of all items of information cited is attached on PTO Form PTO/SB/08, substitute form for 1449 /PTO. Copies of the items are enclosed for the convenience of the Examiner, including a copy of the International Search Report.

This Supplemental Information Disclosure Statement is being filed within the period set forth in 37 CFR § 1.97(c). Each item of information contained in the Supplemental Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Supplemental Information Disclosure Statement, so no fee is required.

This Supplemental Information Disclosure Statement is also being filed within the period set forth in 37 CFR § 1.704(d) because each item of information contained in the Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application and this communication was not received by any individual designated in § 1.56(c) more than thirty days prior to the filing of this Supplemental Information Disclosure Statement.

Respectfully submitted,
